Proposed Transportation Improvements

The La Crosse County Highway Department is proposing roadwork on Casberg Coulee Road over Long Coulee Creek. The project will include the removal of the existing structure, construction of a new structure, reconstruction of roadway approaches, new asphaltic pavement, and gravel shoulders. The project is currently scheduled to be completed by May 1, 2024, for construction in 2024.

Your Involvement

All persons interested in the Casberg Coulee Road project are encouraged to attend the Public Involvement Meeting on January 30, 2024, at Holland Town Hall, W7937 County Road MH, Holmen, WI 54636 from 5:00 to 6:00pm. Also, we encourage you to share this information with others that may be affected by this project. The intent of this presentation of material is to provide an opportunity to view the project plans and provide comments and feedback from the public.

Staff members from La Crosse County, Town of Holland, and its consultant, Short Elliott Hendrickson, Inc., will be available to discuss the proposed improvements. Project drawings, location maps, a project information sheet, and a comment form will be provided to illustrate the proposed project and provide comments.

We Want Your Input.
