## Road Work

By Bob Stupi, Town Chair

The Town of Holland made significant strides in road maintenance and infrastructure improvement over the past year.

The ongoing 7-year cycle of chip sealing was maintained in addition to reconstruction of high priority roads.

The work completed this year included resurfacing and upgrading roadside drainage to minimize flooding and erosion in the New Amsterdam subdivision. These upgrades were prioritized based on condition assessments. The total length of repaving was 0.97 miles.

Building on the success of this year's improvements, the Town of Holland will continue with its road paving plan for 2026. The upcoming projects will continue to focus on maintaining and upgrading the Town's roadways, with an emphasis on long-term durability and safety. The roads planned for repaving are Green Place and Oak Drive (mobile home park), Long Coulee Court and Wolfe Road. This will amount to repaving 0.94 miles of roadway.

The Town prioritizes road reconstruction based on its 5-year road plan. The plan is reviewed every spring and updated as road conditions change. Many of the roads on the plan were constructed in the 1970s and have reached the end of their 50-year lifespan. The goal is to repave approximately one mile of road each year to reduce the impacts of costs to residents. Grant funding is utilized whenever it is available and if the Town qualifies.

Community engagement will remain central to the planning process, ensuring that residents' concerns and suggestions are considered.

## Driveways

This past year, the Town updated the Town Ordinance regulating "Driveways, Culverts and Right-of-Ways" to assist with consistency of driveway access and with changes in older subdivisions that did not have guidelines for stormwater regulations.

The language states: "A driveway permit or right-of-way permit shall be required whenever work will be performed on or around a driveway or within the right-of-way. This would include, but not limited to, driveway replacement, culvert replacement, surface changes and/or hardscaping additions/alterations. In-ground water systems are not permitted in the right-of-way. A permit is required to provide safe access, consistent practices and best use with current regulations."

Anyone wishing to do anything within the right-of-way (generally 33 feet from the road centerline—some older roads may be less) must obtain a permit. The cost of the permit is \$55.

Also of note, please keep in mind that no parking should take place within the right-of-way.

## Refuse/Recycling 2026

Due to increasing disposal costs of refuse and recycling materials, the yearly special charge for the service has increased from the current **\$144 to \$156** (from \$12 to \$13 a month) in 2026.

For an abundance of recyclables, Hilltopper Refuse & Recycling does offer a drop-off option at their Recycle Center at W6836 Industrial Blvd, Monday through Friday, 8:30 am to 4:30 pm. This option is helpful for residents who occasionally have excess cardboard or other curbside recyclables. Or, for a fee, Hilltopper offers a Wednesday pick-up service.

For those needing additional refuse or recycling carts on a regular basis, contact Hilltopper at 608-783-6727. They can provide extra carts for a minimal fee (paid directly to Hilltopper).

# What's Happening in the Town?

## Fire Station Study

In 2025, the Town and Village of Holmen partnered to hire a firm to conduct a fire station study and provide recommendations on updating or replacing the current fire station. The study looked at call volume, station location, and response times to determine the best possible spot for a future station. It also reviewed the existing building to see what it would take to modernize it.

The current fire station was built in 1980, with additional bay space added in 2000. It now needs a number of repairs and updates to meet today's standards. The original building was not designed for full-time living quarters, and as of 2025 there are four firefighters living on site 24 hours a day.

Based on everything reviewed, the study is recommending that the existing fire station be replaced and relocated—still within the Village limits. The firm also provided a draft layout and estimated square footage needs for a new building. The Town and Village will continue working with the Fire Department and the design team to finalize the plans and develop accurate cost estimates. Once that phase is complete, we will hold public listening sessions to gather community input.

Funding research is already underway, including looking for grant opportunities to help reduce the financial impact on both the Town and Village.

## Winter Information

The Town of Holland endeavors to maintain safe driving surfaces for vehicles properly equipped for winter driving conditions. **This does not mean bare, dry pavement should be expected after each snowfall or ice storm event.** Furthermore, this does not mean that the roads will be completely free of ice and snow during the season. Motorists are expected to modify their driving practices in accordance with the road conditions. In an effort to adhere to stormwater regulations, the Town will use discretion when applying sand/salt while keeping the roads in passable condition. *Keep in mind that we generally do not plow if we have received less than 2 inches of snow.*

Items installed or kept on any Town right-of-way (generally the area 33' from the centerline of the road) may be damaged by snowplows. Subsequently, any item other than a mailbox will not be replaced or repaired by the Town if struck by a plow. This includes underground sprinklers and/or yard markers. Homeowners may also be liable for damage to Town equipment that results from striking objects in the right-of-way.

**Please remember to give the plow vehicles plenty of room. They may not be able to see you!**

Stay up-to-date on happenings in the Town by following us on

TownofHollandWI

## What Does Your Property Tax Payment Support?

**\$53**

Holmen School District: pays for building upkeep, utilities, salaries, furniture, technology, and other supplies needed to run our schools.

**\$24**

La Crosse County: pays for plowing, repairing county highways, health and human services, circuit court, county jail, veteran's services, and more.

**\$ 8.50**

WTC: used to make education accessible to more students in our community.

**\$7.50**

Fire Service: Town of Holland (via 2022 referendum)

**\$ 7**

**Town of Holland: pays for road work, parks, elections, chipping, hall and shop maintenance, snow plowing, utilities, etc.**

# Town Services & Such

## Compost Site

The compost site is used for grass clippings, leaves or other compostable vegetation. This site is located to the west of the Town Hall. Residents who wish to use the drop-off site will be required to obtain an access key-fob (\$6) from the Town Clerk. The 2026 yearly cost for the service will remain at \$20. No need to provide your fob when renewing— all updates are done by computer.

**Thank you residents for not leaving trash, paper/plastic bags or branches/brush!**

Garbage cans are provided for disposal of bags. **PLEASE** back up as much as possible to the pile before unloading. Dropping it in the middle of the driveway makes it harder for everyone!

### Compost Gate 2026 Season

**\$20**  
**Renewals**

may use the drop  
box 24/7  
or  
mail a check.

**\$26**  
**New users**

must come to the Clerk's office  
to receive the fob. There is a \$6  
one-time charge for the fob &  
\$20 for this year's service.

**Please keep this payment separate from tax payment.**

**Access for Town residents only.**

**Fobs are available for purchase in the  
Clerk's office:**

**Mondays 8-1, Wednesdays 3-6, Thursdays 8-1**

## Brush Chipping Service - Two Times a Year

**Tuesday, May 12, 2026 and October 13, 2026**

As implemented last year, brush chipping service has been adjusted to **twice a year**. If there are additional chipping needs, residents may contact a chipping service or haul their brush to the County Landfill at 3240 Berlin Drive (for a fee).

The established rules are still in effect, which include a limit to the amount of brush (no more than 3 feet tall and no wider than 15 feet along the curb), a requirement that cut ends face the road, and a request to **call the Town office at 608-526-3354 to be placed on the pick-up list** (no later than 1 pm the day before the service; *leave a message 24/7*).

This is a reminder that the Town is not in the business of chipping brush. We offer the service as a courtesy to assist with light pruning and trimming. Our service is NOT for tree removal or clearing building sites. **There will be NO EXCEPTIONS to the rules as listed above!**

We thank you for your cooperation. *Additional dates may be added due to large storm events.*

## Stormwater Utility and ERUs

The Stormwater Utility Commission was established to implement practices to mitigate multiple flooding events by updating and maintaining infrastructures. In 2025, there were several emergency repairs to infrastructure.

To assist in paying for the work, a special charge on tax bills for an Equivalent Runoff Unit (ERU) will increase this year by \$20 (full ERU will be \$75). The Town will continue the work of cleaning-out Town road culverts and ditches to help prevent flooding. For more information, check out the Town website.

## Culvert and Ditch Maintenance

As part of the Town's stormwater operations, we ask residents to take part in an important "spring cleaning" initiative to improve stormwater drainage in your community. By taking the time in the spring to clear out your culverts, you are not only helping to protect your property but also contributing to the overall well-being of the Town.

Properly functioning culverts are essential in preventing water from pooling on roads, yards, and public areas. When debris such as leaves, branches, or sediment blocks the culvert, it can lead to flooding, erosion, and damage to infrastructure. As a general guideline, you should be able to clearly see the full diameter of the culvert at both ends. This helps ensure that stormwater can flow freely and safely through the drainage system.

The end of the spring season often brings more severe rainfall events than other times of the year as the weather transitions to warmer temperatures, making it especially important to ensure our drainage systems are working as efficiently as possible.

Contact the Town Hall (608-526-3354) if you have questions or concerns.

# All about Parks

Bike and Pedestrian Paths	Wildflower Park
<p>Last year, the Town was awarded a grant to construct a bike/pedestrian path along the north side of County Road MH from Briggs Road to Sunrise Lane. Working with our engineers, the construction is slated to begin in 2026/2027.</p> <p>The Town has applied for a grant to complete the County Road MH trail from Sunrise Lane to County Road XX. This path will provide residents a safe route to Holmen High School, parks, other schools and Holmen businesses.</p> <p>The Town continues to work with the engineer and Department of Transportation in completing the pavement project of the Holland Bluff Bike Path. This will enhance the overall use of the trail and allow for handicap accessibility. The trail provides residents/ students a safe route for biking and walking to Prairie View Elementary School as well as access to places of employment, parks, and scenic rural areas.</p>	<p>Wildflower Park is the home of the Town's first "natural scape"! The Town has partnered with Coulee Region Ecoscapes to provide the natural playscape. It features stepping stumps of various heights, balance logs and boulders. In addition, natural plants and mulch were placed around the park sign. This is combined with last year's completion of a gazebo and installation of large boulders (to mitigate traffic) and fruit trees. Next year the park will receive additional native plantings, a rain garden and a privacy hedge. Visit the park and sit a spell under the gazebo!</p> 
Walking Path - Town Hall Park	Park Maintenance
<p>The Town Park now sports a walking path! This half-mile paved path circles the park and provides connectivity to surrounding subdivisions and allows access for the handicapped, strollers, scooters, bikers and walkers.</p> <p>Along the trail, you can stop and enjoy a "little free library" <b>thanks to local Girl Scout Marley Roth!</b></p> <p>Watch this spring for a ribbon cutting and name dedication event. The construction was funded with the power-line environmental funds (CapX and ATC line projects).</p>     	<p>Our Town crew takes time each year to inspect park equipment and upgrade when necessary.</p> <p>This year, the Dresen Park equipment received an update. The older equipment was sand-blasted and repainted to give it a fresh look and feel.</p> <p>If you see any concerns when enjoying one of our eight parks, please contact the Town Hall (608) 526-3354.</p> 
Little Free Sled Library	Town Beautification
<p>Thanks to a donation from the Holmen Area Foundation, the Town Hall park offers a "sled library." Little Free Sled Libraries were created so that if your sled is broken or is lost, you can use one at no cost.</p> <p>For winter fun, the Town has two sledding hills:</p> <ol style="list-style-type: none"> <li>(1) Town Hall Park—use gravel parking lot to the west of the Town Hall and the hill is to the southwest (facing County Road XX).</li> <li>(2) Hammes Park—use the parking lot south of the park equipment (turn onto Vermeer Street and left into the parking lot).</li> </ol>	<p>Thank you Mike Hoffman for your continued work in keeping the Town Hall landscaping trimmed, weeded and watered and for the beautiful planter placed by the front door of the Town Hall maintained throughout the summer. The Town appreciates the extra effort to make a visit to the Town Hall a lovely experience!</p> <p>Thank you <b>Mike!</b></p> 

# Important Information!

**Emergency notices.** It is an unfortunate phenomenon, but we seem to get 100-year storms every year! While the Town cannot prevent these disasters, we will work hard to address them as quickly as possible. In cases of localized flooding or other weather events, residents can check the Town website at [www.townofhollandwi.gov](http://www.townofhollandwi.gov) or Facebook (TownofHollandWI) for road closures, storm clean-up actions, and other information.

**Well water testing.** Even if your drinking water looks, tastes, or smells good, it may still contain harmful bacteria and the only way to know is by testing. Pick up water testing bottles in the clerk's office or at the County Health Dept, 300 4th Street No, La Crosse, 608-785-9872, from 8 am-4:30 pm.

**Speeding** is one of the biggest complaints in the Town! Please keep in mind when you are traveling that the speed limits are set to protect the residents as well as the driver. *Please be aware and SLOW DOWN!*

**Road right-of-way.** Due to necessary maintenance of Town roads, decorative mail posts, flower boxes, or other items placed on the road right-of-way are not allowed. The Town is not liable for damages done to these items, nor to the grass edge along the road which may occasionally get peeled back by the snow plow blades. The right-of-way on most roads is 66 feet wide (33 feet from the road centerline).

**Drainage ditches** cannot be filled in with dirt and/or sod. **Sprinkler heads should NOT be within the right-of-way.** The Town is not responsible for damaged sprinkler heads due to snow plowing or other road work. Downspouts should be placed to allow for infiltration throughout the yard (not placed directly in ditches).

**Parking on cul-de-sacs and on Town roads** is prohibited.

**Mailboxes** cannot be constructed with **concrete, brick or any other hazardous materials** that will not "break away" if hit by a vehicle. On the other hand, the Town will not be responsible for mailboxes that are so old/weak that they break due to snow pressure.

**Other obstacles.** No other obstacle should be constructed within the right-of-way, **including brick pillars, large landscape rocks, or anything sticking up along the road edge.**

**No open burning.** Burning leaves, refuse, or brush in yards or burn barrel(s) is illegal in the Town. Of course, grilling or cooking outdoors, campfires, fire rings/pits (with a 3-foot size limit) and outdoor wood stoves are allowed. Contact the Holmen Fire Department for allowable exceptions: 608-526-9363.

**Fire numbers.** It is Town code that each house display a double-sided green fire number. If your fire number is missing or has been damaged, contact the Town Clerk immediately. If a fire number is not present, you are in violation of Town code, which could result in a fine.

**Sand/salt.** The Town is not legally able to sell the winter sand/salt mixture nor are citizens allowed to take it. The materials need to be used for Town business and a driveway is not a Town road, and, therefore, not a Town use.

**Garbage/Recycling Carts.** Carts should not be put out before 5 pm the day before pick up and should be retrieved from the Town right-of-way by 8 pm the day of pick up at the latest. Keep the containers at least 3 feet apart and 3 feet from any other obstruction.

**Noise.** Ordinance #6-2007 establishes a quiet time between 9 pm and 7 am.

## Permits Required

Wondering if a permit is required? Below are a few permits needed by a resident before performing any work. Please contact the Clerk's office if unsure.

**Driveway and Right-of-Way:** A permit is required whenever work will be performed on or around a driveway or within the right-of-way—such as driveway or culvert replacement, surface changes and/or hardscaping additions/alterations. Keep in mind that in-ground water systems are not permitted in the right-of-way.

**Pools:** Any pool with a depth greater than 12 inches or more than 150 square feet (about a 14-foot round pool), requires a permit. See Ordinance #5-2013 for details (Town website).

**Fireworks:** Ordinance #3-2016 allows for the use of fireworks in the Town of Holland. An application must be filed and approved before the purchase of fireworks. There are two types of permits: personal use (free) and public display (\$50 fee).

**Sheds:** Any shed or accessory building over 100 sq. ft requires a County zoning permit and a Town building permit.

## ATV Routes

The Town Board passed Ordinance 3-2022, an ordinance establishing all-terrain vehicle (ATV)/utility-terrain vehicle (UTV) routes and to regulate the operation of ATVs/UTVs in the Town. The Town also coordinated with the County and established ATV/UTV routes on the County roads within the Town.

We ask residents to be aware of the regulations (see our website for details) and follow all safety rules. Note: Golf carts are not allowed on public roads.

## Winter Safety

**Safe play areas:** For safety's sake, do not allow children to build and/or play in the snow banks at road's edge! Our plow drivers have a lot to watch when plowing and may not see children hiding in the snow bank!

**Do not plow or blow snow across roads!** Keep in mind that it is unlawful for any person, firm, or other agency, **to throw, plow or otherwise discharge snow and/or ice from private property onto any roadway.** State Statute 346.94(5)

# All about Taxes....

## Tax Payment - Questions 608-526-3354

- 24/7 using the Town Hall drop box.
- By mail to the Treasurer  
Town of Holland  
W7937 Co. Rd. MH  
Holmen, WI 54636
- By credit card online (there is a fee for this option, see website).

Drop box available  
24 hours a day (just to the left of  
the front door). Secure and easy!

**Use of the drop box or U.S. Mail is highly encouraged!**

Please keep in mind that if you:

**DO NOT WANT a receipt:**

Only include the installment stub of the tax bill.

**WANT a receipt:**

Include the full tax bill along with a self-addressed stamped envelope. We will return the top portion for your records.

- In person at the **Town Hall** during these Treasurer's hours:

In 2025: Wednesday, Dec 17 3 pm to 6 pm  
Thursday, Dec 18 8 am to 1 pm  
Monday, Dec 22 8 am to 1 pm  
Monday, Dec 29 8 am to 1 pm  
Tuesday, Dec 30 3 pm to 6 pm  
Wednesday, Dec 31 3 pm to 6 pm  
In 2026: Wednesday, Jan 21 3 pm to 6 pm  
Thursday, Jan 22 8 am to 1 pm  
Monday, Jan 26 8 am to 1 pm  
Wednesday, Jan 28 3 pm to 6 pm  
Thursday, Jan 29 8 am to 1 pm  
Friday, Jan 30 8 am to 1 pm

- All payments (1st half or full) are due by January 31.
- Payment by check or money order payable to

**Town of Holland**

- For security reasons, please no cash payments over \$100.
- Correct change is appreciated!

## Tax Levies by District

	Last Year	This year
County	\$1,819,028	1,852,298
Holmen School	\$3,769,369	4,149,117
Wisc. Tech College\$	\$ 664,834	666,061
Town of Holland	\$ 562,571	573,625
TofH Fire Service	\$ 582,500	590,495
Totals	\$7,398,302	\$7,831,596

2024 Mill rate (paid in 2025): 0.014137085

2025 Mill rate (paid in 2026): 0.014833997

## New Tax Bill Format

## Second Half Tax Payment

**SECOND HALF TAX PAYMENT:** Due July 31

Payable to: **LaCrosse County Treasurer**

Mail or pay at: 212 6th Street No., Suite 1900

La Crosse, WI 54601

608-785-9711

## Paying by check

The Town deposits checks into two accounts: (1) tax account and (2) regular account. When writing a check, please keep taxes/dog fees separate from other fees (fobs, rentals, permits, etc.). Thanks!

Remove  
this  
portion to  
pay 1st  
half by  
1/31/25

Remove  
this  
portion to  
pay 2nd  
half by  
7/31/25

Remove  
this  
portion to  
pay in full  
by 1/31/25

**If you want a receipt,** bring in the full page and it will be stamped "paid". If remitted via mail/drop box, include the full page and a self-addressed stamped envelope, and we will return the tax bill, stamped "paid."

# All about Dogs!

## Dog license renewals are due January 1.

There is a misconception that dog licenses are due at the end of March. NOT true!

The license period starts January 1 and ends December 31. So, in fact, licenses are due by **January 1 each year**.

The misconception occurs because there is a grace period to avoid a late fee until March 31.

### Dog Licenses

All puppies must be licensed within 5 months of birth. Renewal is due by January 1 with a grace period no later than March 31. (**Limit of 2 dogs per household.**)

We have a computer printout on dogs previously licensed in the Town of Holland. If the rabies vaccination is current, just send the correct fee. If the rabies shot has expired since you purchased last year's tag, we will need to see proof of the current rabies vaccination.

***It is the dog owner's responsibility to provide the rabies information (not the vet clinic).***

Dog licenses can be purchased from the treasurer, Marla Wagner. This can be done via mail, Town Hall drop box, or during clerk hours at the Town Hall.

**Address: W7937 County Road MH  
Holmen, WI 54636**

If by mail or drop box, please include a self-addressed stamped envelope so we can send you the tag.  
Any rabies information will be returned as well.

For new dogs, you need to furnish proof of rabies vaccination, dog's name, breed, color, age/birthdate, and sex (indicate whether it is neutered or spayed). If the dog has been neutered or spayed, we will need written documentation.

For new residents or newly acquired adult dogs, all tags are to be purchased from the Town treasurer within **30 days** or the late fee will apply. A new puppy must be licensed within **5 months** of birth or the late fee will apply.

All nuisance dog calls are handled by the Coulee Region Humane Society (608-781-4014).

**LATE TAGS MUST BE PURCHASED FROM THE  
COUNTY CLERK.**

**Late fee is \$25.00**

**If a dog passes away during the year, please notify us so we  
can update the records.**

### Dog License Questions? Call 608-526-3354

**Dog Fee: \$23 or  
\$12 if spayed/neutered**

### Leash Law

The Town of Holland does have a leash law. Unfortunately, we often receive complaints regarding dogs running in the neighborhood. And, while you may think your dog is well-behaved, those walking/jogging or biking might not feel safe with dogs running at them. Section 3.01 of the Dog Control Ordinance #5-2007 has several sections that apply to the care of dogs:

- A. All dogs shall be cared for, maintained, and handled in a sanitary manner and in such a way as to prevent noises, barking, fighting or howling, or other disturbances of the peace and quiet of the neighborhood.
- B. Dogs **shall not be permitted to run at large**, with the exception of dogs confined and controlled within an electric dog fence.

Penalties may be assessed if a dog is running loose or disturbing the peace. Penalties for violations are established by La Crosse County Code and enforced by the La Crosse County Animal Control officers. If you have any questions on the penalties or violations, please call the La Crosse County Health Department at 608-785-9872.

### Quick Notes

Puppies: license before puppy is 5 months old  
Newly acquired dogs: license within 30 days  
Renewals: renew by January 1 each year (grace period until March 31)  
Deceased dogs: please notify the Town

# Town Information

## Board Members

Chair Bob Stupi	608-397-1191	chair@townofhollandwi.gov

## Recycling/Refuse

The "Recycler" newsletter was sent separately. *Please call the Town Hall if you have not received one by the end of December. You can also view the newsletter on the Town website: [www.townofhollandwi.gov](http://www.townofhollandwi.gov)*

For quick reference, a postcard recycler calendar is included in this mailing.

- **Carts may not be placed within the right-of-way** (33 feet from the center line) other than from 5 pm the day before service to 8 pm the day of service
- Place carts **2 feet** from road edge and at least **3 feet away** from obstacles including but not limited to: other carts, recycling bins, mailboxes, power poles, etc.
- Remove the carts from the right-of-way by the end of the collection day. If a vehicle or plow hits a cart, the homeowner must pay to replace it!!!

**Call 608-783-6727 if your trash or recycling was missed!**
